ORDER:-

In the reference^{1st} read above, an extent of 1778 Sq. yards of vacant land in CMU(R.W.&M Division), Khairatabad, Hyderabad was allotted to Ground Water Department for construction of building to accommodate the office of Director of Ground Water Department and one office of the Deputy Director, Ground Water Department The above land was handed over to Ground Water Department authorities on 16-03-2005.

2. In the reference 2nd and 3rd read above, an extent of 8787.33 sq. yards was allotted to the Chief Engineer, Central Designs Organization, Hyderabad towards construction of the Central Designs Organization office building in the same premises of Central Mechanical Unit, Khairatabad, Hyderabad.

3. In the reference 3rd read above, the above land was re-allotted in the following manner.

- a. An extent of 7287.32 sq. yards to the CDO Building and
- b. Remaining land to an extent of 1500 sq. yards to the Director of Works and Accounts for the purpose of construction of Office building of Director of Works and Accounts and 2 PAO Offices at Hyderabad.

4. In the reference 4th read above, administrative sanction was accorded for the construction of building for the office of Director, Ground Water Department for an amount of Rs.5.04 crores under World Bank aided Hydrology Project Phase-II .The Chief Engineer, Hydrology has been designated as the Executing Agency.

5. In the reference 5th read above, the Engineer-in-Chief (Admn. wing), I & CAD, Hyderabad has informed that in pursuance of the orders issued in the ref.4th read above, and in view of the commitment to the World Bank, the floor plans were prepared as per municipal norms and submitted to GHMC, Hyderabad for approval. The Director, Ground Water Department has informed that the total area required is 2,560 sq. yards and requested to allot the additional land required to fit the norms of Municipal permission for the construction of Ground Water Department office building. The Superintending Engineer, Mechanical & Workshop circle, Hyderabad has informed that the existing two sheds and nala around the boundary and additional piece of land of 80 sq. yards are included in the said area of 2560 sq. yards .The area of two sheds and nala around the boundary are not handed over earlier. So the area of two sheds and nala area can also be handed over to Ground Water Department as the access to these sheds will be closed if the compound wall is constructed around the Ground Water Department building. If the request of Ground Water Department is considered, an area of 80 sq. yards is encroaching into the land already allotted to the CDO,. and Director of Works and Accounts with two PAO offices. Thus the land allotted to CDO and Director of Works and Accounts will be reduced by 80 sq. yards.

6. The Engineer-in-Chief (Admn. wing),.has therefore requested for allotment of additional area of 782 sq. yards to Ground Water Department in addition to the already allotted land of 1778 sq. yards for handing over to Ground Water Department authorities for construction of office Building.

7. Government after careful examination of the matter, hereby allot an area of 782 sq. yards to Ground Water Department in addition to the already allotted land of 1778 sq. yards vide reference 1st read above, for construction of building to accommodate the office of Director, Ground Water Department and one office of the Deputy Director, Ground Water Department duly reducing the land allotted vide reference 3rd and 4th read above to CDO and Director of Works and Accounts by 80 sq. yards. at the premises of Central Mechanical Unit, Khairatabad, Hyderabad

8. The Engineer-in-Chief (Admn. wing) shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
